I have enclosed a check for \$542.69 (includes installation and taxes) made payable to Carolina Mailboxes for pole, mailbox, and newspaper box with the new standats by the contractor designated by the PCOA. I understand that I do not have to be home for installation. I also understand that the contractor will dispose of my current pole, mailbox and newspaper box unless otherwise requested by me. If I have a Charlotte Observer newspaper box the contractor will leave it at the foot of the new mailbox for pickup by the Observer carrier.
